

# The-Women's-Insurance-Net-Work

22<sup>nd</sup> & 23<sup>rd</sup> September 2016

Beaumont Estate, Burfield Road, Berkshire, Old Windsor, SL4 2JJ UK

**Cathy Garner**  
Active Underwriter, Syndicate 779  
ANV

Your Chair for the September meeting is Cathy Garner. Cathy has been a member of TWIN since we started in September 2007 and joined the Management Board this year.

As Active Underwriter for ANV Syndicate 779, Cathy is responsible for the strategy and development of ANV's full Life portfolio and the development of its global market and new products. She is one of only a handful of women active underwriters within the Lloyd's market. Prior to joining ANV, Cathy worked as the active underwriter of Kiln Life Syndicate 308, which was the Lloyd's largest life market at the time. Cathy brings a long history of insight, growth and innovation over her 19 years in Lloyd's and nine years in the UK company market. She is a past chair of both the Lloyd's Market Association Term Life Business Panel and the Association of Medical Underwriters. She was a long-serving member of the Insurance Institute of London's Financial Services Committee, and a founder member of the Association of British Insurers' Rare Genetic Conditions and HIV Working Groups. Cathy is a Chartered Insurer.

Thursday 17.40 - 19.00

**Deborah Cooper**  
Partner  
The Miles Partnership

**Zoe Campbell**  
Partner  
The Miles Partnership

## *"Managing your Career"*

Deborah has extensive financial services and cross-sector knowledge. In addition to advising Boards in the recruitment of Non-Executive Directors (including Chairman and Chairs of Risk and Audit), Deborah is experienced in appointing CEOs, MDs and executives.

Deborah is joined at our meeting by Zoe. They will be advising us on how to can create fulfilling career choices and secure exciting role opportunities, both in the short and long term.

Thursday After dinner speaker

**Roma Hooper**  
Founder & Director  
Make Justice Work

## *"Female offenders - should they be treated the same as their male counterparts?"*

Our after dinner speaker is not from the world of insurance at all. Roma Hooper is the founder and chair of the Prison Radio Association. It is the first national radio station for prisoners in the world. She also founded the Make Justice Work Campaign. She is currently a criminal justice advisor and is chair of Spark Inside and Women's Breakout and a trustee of the Comedy School. Roma has been working on behalf of offenders since 1993, having previously worked for Contact a Family.

Roma will be talking to us about issue of women and girls in the criminal justice system and why the public believe that male and female offenders should be treated in identical ways, despite their biological and social differences; why they don't understand the social factors that shape women's experiences and don't understand the harmful effects on women in particular.

Friday 08.35 - 09.40

**Sara Ager**  
Director  
Commercial & Governance

**John Small**  
Trainee Solicitor

## *"MGA's the Third Insurance Sector"*

Our first speakers on Friday morning are Sara Ager and John Small. Sara will be no stranger to you all as she has been attending TWIN meetings since 2010.

Sara and John will be telling us about Managing General Agents, unravelling the mystery of the difference between the MGU and the MGA. how and why they have grown in presence their specialism, how they are regulated and by whom, their duties, function and potential benefit to insurers.

EC3\Legal LLP

**James Bridge**  
Assistant Director, Head of Conduct Regulation  
Association of British Insurers (ABI)

*“What does conduct mean for insurers in 2016 and beyond?”*

James Bridge is an experienced insurance professional with wide ranging insight into the UK regulatory environment and insurance market, operating at the highest levels in the regulator, leading insurance businesses and now the ABI.

James has kindly agreed to talk to us about the evolution of conduct, the current themes and challenges related to the FCA’s work and future business plans, and what this means for insurers.

**Laila Khudairi**  
Cyber Expert and Deputy Underwriter  
Tokio Marine Kiln

*“Cyber Risk?”*

I’m sure that you will all be interested in hearing what Laila has to say on Cyber Risk and what the insurance covers.

- what is 'cyber' risk?
- what insurance products are available to provide risk transfer for this risk?
- Lloyd's cyber market overview
- the future of cyber

**Heidi McCormack**  
CEO & Founder  
Emerald Life

*“The Emerald Life journey: an LGBT facing Insurance start-up”*

Heidi is a game-changing business leader, recognised for her thought leadership on the international stage and her impressive career as a senior figure in one of the largest, global automotive companies.

Before co-founding Emerald, Heidi was Executive Director of new business development for General Motors in Russia, one of several positions she’s held globally, influencing business and becoming a role model for women in the boardroom.

Her continual track record in growing robust business including shaping Chevrolet into the number one selling brand in Russia informs her vision for Emerald’s growth, and her passion for providing the LGBT community with the service and insurance protections they deserve, free from inequality.
