I’m sorry this agenda is late coming out, but we’ve had a few last-minute cancellations and we had to find replacement speakers. My thanks to TWIN’s Management Board for helping to pull it together.

As I’m sure you’ll agree, this looks to be another interesting and thought-provoking meeting with a great line-up of speakers.

Please complete and return your booking form as soon as you can to secure your place/s.

Kind regards,
