

ZOOM MEETING

Thursday, 27th January 2022

5:00 pm – 6:30 pm

Welcome to the agenda for TWIN's first virtual meeting of 2022.

In this session, we will be looking at the rapidly developing regulatory landscape being faced by insurers: consider first the extension of the scope and depth of regulation by the UK regulators; and second, the increasingly robust approach the regulators are taking to enforcing their powers. We will be looking back to lessons that can be learned and also forward to emerging trends.

We look forward to seeing you on the 27th. Please register your place ASAP.
